Greetings!

Sam Nadler has been a tremendous blessing to me personally and to our church body. We always look forward to Sam's visits as his love for the Savior, his heart for the Jewish people, and his desire that all come to the Lord is evident in every aspect of his ministry.

I recommend Sam often to other pastors as his knowledge of God's Word and his teaching from the Jewish perspective provides wonderful insight and encouragement to any church body.

Sam also has a strong passion to disciple and mentor pastors and elders in the areas of biblical leadership – coupled with his years of service and obedience to the Christ; Sam's leadership training provides invaluable guidance to fulfilling the church's call.

Praise the Lord for Sam's faithfulness and the work of *Word of Messiah Ministries*.
