

WORD OF MESSIAH MINISTRIES

Reaching Jewish People for Messiah and Making Disciples.
Developing Leaders and Planting Messianic Congregations.
Enriching the Body of Messiah by sharing the Jewish context
of the Scripture and equipping believers to be
more effective witness to the Jewish people.

OUR MINISTRY TO YOUR CHURCH

Word of Messiah Ministries (WMM) exists to bring the Good News of Jesus “to the Jew first, and also to the Gentile” (Romans 1:16). To accomplish this, WMM plants Messianic congregations with the belief that the most effective long-term testimony of the Good News is a healthy, local congregation.

In addition, WMM brings to the greater Body of Messiah teaching and exhortation on the calling for all believers to make Israel jealous for their Messiah (Romans 11:11).

Through sound biblical teaching, WMM trains both Jewish and Gentile believers for personal growth, outreach, leadership, and congregation planting around the world. Our goal is to see Messianic communities of maturing believers testify both to the Jewishness of the faith, and the faithfulness of God to His people.

OUR HISTORY

After coming to faith, Sam was soon with *Jews for Jesus*, sharing on the streets of San Francisco. He met his wife Miriam, went through Bible college, and helped start a “Jewish Gospel” group called the *Liberated Wailing Wall*. In 1975 through establishing the *Jews for Jesus* New York City branch, Sam began to see that evangelism is not enough, bringing Jews and Gentiles to the Lord is only the beginning. Rather than finishing a task, the fruits of evangelism create both an opportunity and responsibility for lifelong discipleship. Jewish believers need to be grounded in the faith as Jewish believers.

Later as US Northeast Regional Director and then President of *Chosen People Ministries*, Sam began to implement what he saw as a biblical model of missions, centered around international outreach through congregation planting. Immediately after the fall of Soviet Union, he was privileged to witness revival among Jews in Russia and the Ukraine, where he planted indigenous congregations; as well as initiating similar works in Israel, Germany, South America, Canada and the United States. Through all these experiences, Sam recognized the need for Messianic leaders to be raised up within congregations. This vision led to the establishment of *Word of Messiah Ministries* in 1996.

OUR VISION

Looking to Jesus, *Word of Messiah Ministries* desires to develop more and better Messianic leaders and congregations, who in turn will help establish new Messianic congregations in the Jewish community worldwide. All of our discipleship materials are geared toward this end.

When Sam Nadler was growing up in Queens, New York, his Jewishness aroused many unanswered questions. Shortly after his Orthodox Bar Mitzvah at the age of 13, Sam gave up any pretense of religious involvement.

During his years in college, and later in the army, Sam basically sought to find whatever satisfaction and happiness was available in an otherwise confusing world. In his early twenties, when first meeting some believers in Jesus, Sam laughed at them, thinking “what an awful waste of time” all religion was. He was challenged to attend a Bible study.

As Sam read certain texts from the Hebrew Bible, they seemed to point in one direction. At first it appeared to be just a coincidence, but over a period of months, while believers prayed, Sam found himself facing the fact that Jesus is indeed the true Messiah of Israel.

After Sam came to faith in Messiah Jesus he realized his Jewishness wasn't just some accident of nature, but that God had a plan and purpose, not only for the Jewish people as a whole, but for Sam personally. To read his full testimony, visit www.wordofmessiah.org

SAM'S MINISTRY

After repenting and trusting in Jesus as Lord and Savior, Sam felt led of God to prepare to share Messiah. He attended *Simpson Bible College* in San Francisco and graduated from *Northeastern Bible College* in New Jersey.

For several years Sam led an evangelistic team, traveling throughout the United States and Israel proclaiming the Good News through Jewish gospel music and drama.

Seeing the Lord work in ministry continually brought him back to the Scriptures as he came to realize that coming to faith was only the beginning to establishing a community testimony of Messiah.

Today as president of *Word of Messiah Ministries*, Sam is continuing to develop leaders for world-wide impact for the gospel among his Jewish People, working with congregation planters across many different organizations.

Sam received a doctoral degree from *Southern Evangelical Seminary* in 2008. He has also authored several books including *Messiah in the Feasts of Israel*, *The Messianic Answer Book*, *Messianic Foundations* and devotional commentaries on *Jonah* and *Ruth*.
